- 4) Create a razoo log in using your email
- 5) Customize your fundraising page

Example:

(YOUR ORGANIZATION) is fundraising on behalf of For The Kids Dance Marathon at UTSA (FTK), a nonprofit corporation and Registered Student Organization at The University of Texas at San Antonio (UTSA), that provides moral, social, and financial support to families, survivors, and children affected by pediatric cancer. FTK, the largest student-led pediatric cancer philanthropy in South Texas, provides a renewed sense of community by developing future leaders to unite both the UTSA and San Antonio communities through the common purpose of raising awareness for children battling pediatric cancer. FTK does this by hosting remarkable events throughout the academic year culminating in a spectacular eighteen-hour Dance Marathon.
